HOW TO PROPOSE A NEW MEMBER

Every Rochester Rotarian has the privilege and obligation of seeking qualified members. In this way all club members can help the club achieve a full representation of business and professional life of the Rochester community.

Now is the time to share your Rotary experience with a friend. Proposing a new member is a way to ensure that Rochester Rotary is a vibrant, active and growing club in the Greater Rochester Area. Please take a moment to go through the membership proposal process for the benefit of your club. The members you propose today could be the leaders of Rochester Rotary tomorrow!

ROCHESTER ROTARY CLUB'S NEW MEMBER PROCESS

- A Rochester Rotary Club member submits the prospective member's name on a Membership Proposal Card to the Membership Evaluation Committee (mail the proposal card to the Rotary Office or email to Myrna@rochesterrotary.org).
 - A member of the Membership Evaluation Committee meets with the prospective member to learn more about the individual and to explain about Rotary.
 - The Membership Evaluation Committee makes a recommendation on the proposed individual to the Board of Directors for approval. If approved by the board, the membership application is posted in the Rotary office for the membership's approval.
 - The prospective member is sent a letter, verifying acceptance. When his/her application is received with the entrance fee, the candidate becomes a member of Rotary.
 - The new member is assigned to a New Member Class and a Rotarian mentor. The new member is introduced to the membership at a Tuesday Luncheon Forum.
