

Presidents of the Rochester Rotary Club

The role of a Club President is to provide leadership and guidance to his or her club, and the election for this position is not taken lightly. Leading the Rochester Rotary Club takes a good deal of time and sacrifice, and shows a great deal of commitment to the Club.

The 2020-2021 Club President of the Rochester Rotary Club is Peter J Glennon. The Club is thankful to Peter for his commitment, and honored to serve under his leadership.
